

MARIE goes into the bathroom.

EMERSON considers pouring wine in her glass,
looks at the bottle, and then drinks directly from
the bottle.

EMERSON
(offering the bottle)

Anyone else? No. Okay.

EMERSON takes another drink from the bottle
and puts it on the counter.

WILL
That was...that was Collyn's brother...

EMERSON
Yes, Collyn's brother.

SAMUEL
You said that. Does he have a name?

EMERSON
His name?

WILL
His name is...

EMERSON
Mike.

WILL
Mike?

SAMUEL
You're not sure?

WILL
Yes, Mike.

EMERSON

He just got back.

WILL

Yes, he's been away...for three years. He just got back. This is the first time they've seen each other.

EMERSON

Yes, in three years.

SAMUEL

Why was he away?

EMERSON

Why was he away? (to WILL) Why was he away?

WILL

He was settling their mother's estate. She died. Tragic. An illness.

PHIL

Cancer?

WILL

No, ice fishing

EVERYBODY

Ice fishing?

WILL

You put a line in the ice...

SAMUEL

I know what it is. Ice fishing is NOT an illness.

WILL

She fell through the ice, caught pneumonia and died.

PHIL

That's terrible.

WILL

Did you know when you're concerned you have a little worry crease right...

EMERSON

Will!

SAMUEL

Collyn didn't go?

WILL

Collyn didn't live with her mother.

HEGLUND

Her parents were divorced. She lived with her father.

EVERYONE looks at HEGLUND.

MARIE enters with a wet towel wiping off her dress.

MARIE

Madame, what should we do about dinner?

EMERSON

That's a good question.

EVERYONE looks at HEGLUND still holding the pizza.

HEGLUND

This pizza is for Rose. (presenting the pizza to ROSE)

ROSE

There's enough to share.

HEGLUND

(trying to give it to her)

No, there isn't.

ROSE

It's a giant pizza.

HEGLUND

You should at least look at it first.

ROSE
(looking at the pizza)

It's very...pretty?

HEGLUND

Pretty?!

ROSE

Well-crafted...I don't know...what's the right word? (looking closer) Huh?

HEGLUND

Yes...

ROSE

It looks like there's something spelled out in olives.

HEGLUND

Yes!

ROSE

Someone spelled out "porn" in olives.

HEGLUND

No!

ROSE

Yep, look.

HEGLUND looks.

EVERYONE crosses to look at the pizza.

PHIL

It does...it says, "porn."

HEGLUND
(taking a piece of pizza and shutting the
lid; nervously)

I don't see it.

MIKE enters followed by COLLYN.
